WORLD-WIDE LITERATURE BROADENS HORIZONS

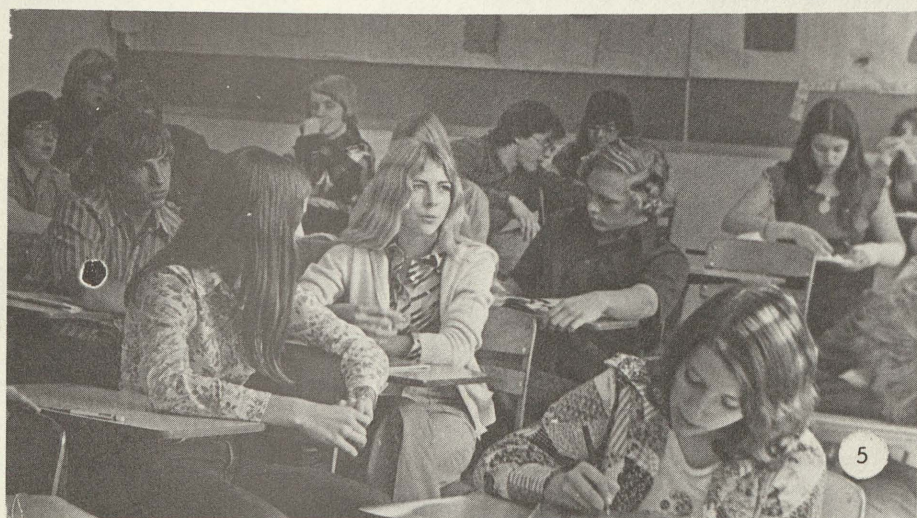

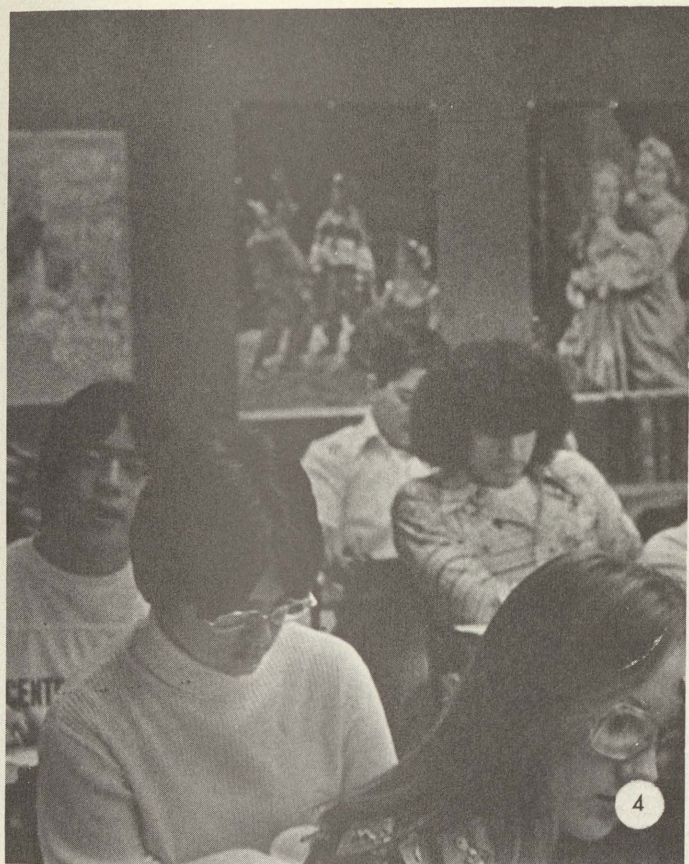

Will you read to me a story?
Will you write for me a poem?
Will you recite to me some Shakespeare?
I won't feel so all alone.

Renee Krasinski

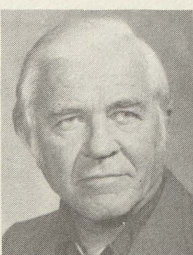

In times of great light, it hides no fear
For all around us is ever dear.
The trees so green, the dandelions yellow,
Blend in the scene, so soft and mellow.
It's not in life we become so bold,
It's what's inside us, stories untold.
When we are lost and cannot find
What's in the storehouse of our mind,
We turn to something warm and plain
To it our bodies and minds refrain.
If love is all there is left to give
Then we won't run out of life to live.
In times of darkness we will wait,
If there's love left, it's never too late.

4. Mitch Riefel out-jumps a defender and makes his jump shot count.
5. (Clockwise) Mark Poling, Brian Gibbs, Reifel, Stahle, Dixon and Borchard listen intently to Coach Bill Thibodeau's strategy.

VARSITY SHOWS IMPROVEMENT

Arthur Hill's Varsity basketball squad has walked on the court this season with an air of improvement about them. After a dismal season last year, the team has begun to show some winning qualities.

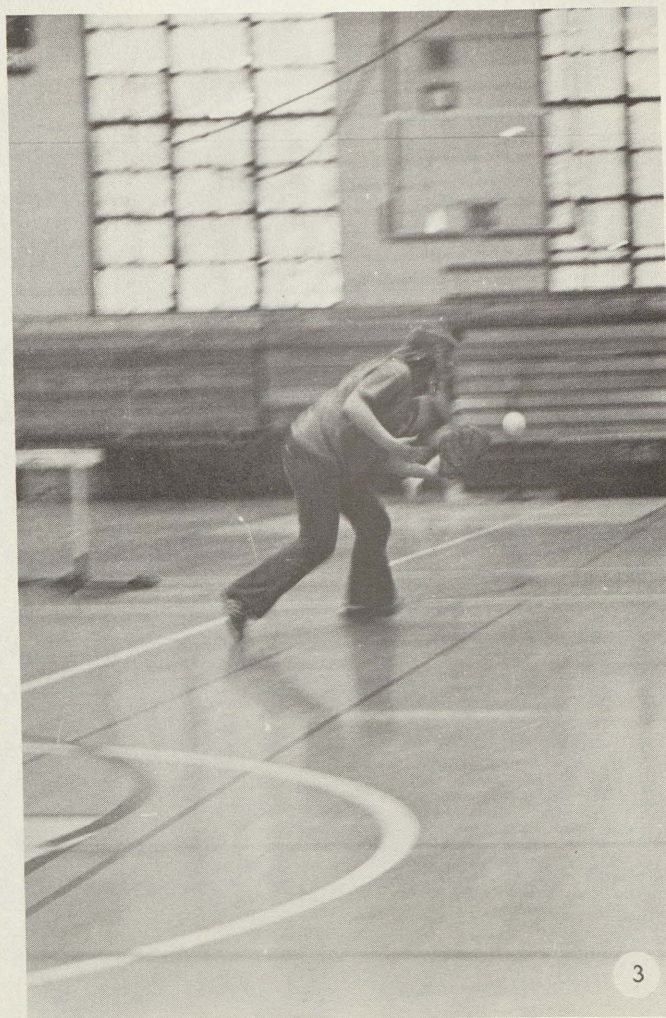

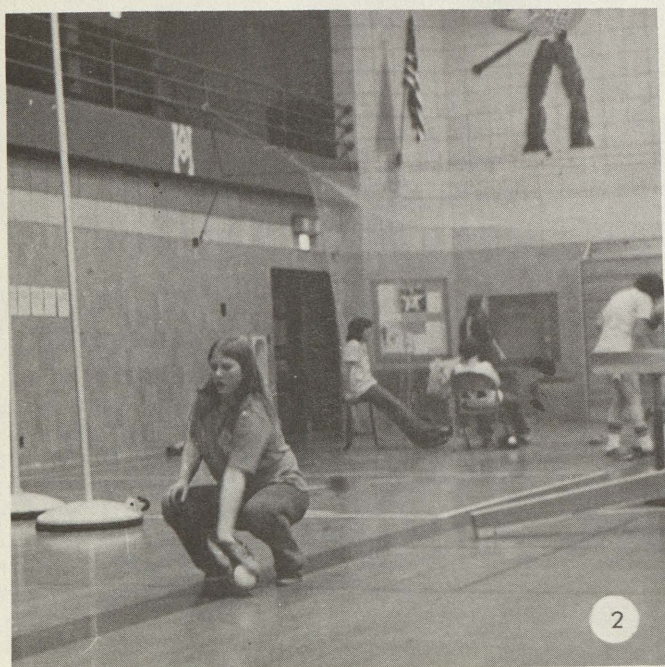

A hard working defense is the cornerstone in building a solid basketball team as Coach Bill Thibodeau sees it. Leading the team on both offense and defense is Captain Bill Schulz, although injuries have prevented him from playing full-time. Dennis Borchard, Greg Weber and Brian Gibbs also put in good efforts.

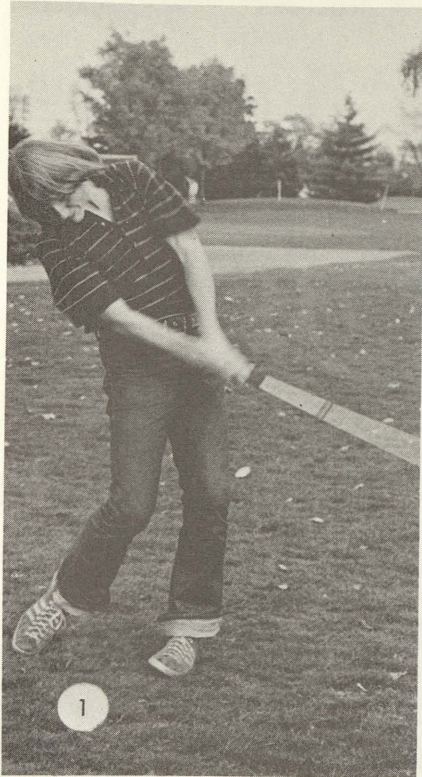

GIRL SLUGGERS FACE NEW SEASON

1. Shelly Kakoska
2. Heather Kemerer
3. Lora Leppert

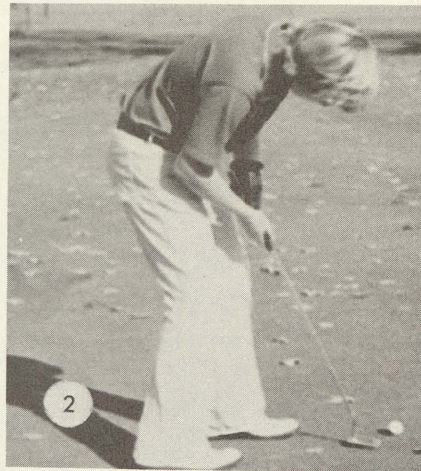

At the time of this printing the Girls Softball Team is just getting started. The team is very optimistic for a good season and will work hard for it.

1. Scott Morley practices his chip shot.
2. Jeff Lynch attempts to bring his putt to perfection.
3. Coach Seymour Murphy helps Scott Morley with his grip as Jerry Eggebrect, Dave Abbott and Dave Prine look on.

GOLFERS SHARE VALLEY TITLE

Led by Ron Harris and Dan Sieggreen Arthur Hill's Varsity golf team chipped, drove, and putted to a co-championship in the Saginaw Valley. Top scores were shot by Harris who averaged 80.5, Sieggreen with 83.6, and Dennis Wenzel and Mike Fischer who each averaged 87.

The Junior Varsity team finished the season with an 8-1 record. Bill McIntosh and Dave Abbott checked in consistently with good scores.

TANKERS STROKE TO THIRTY-SECOND TITLE

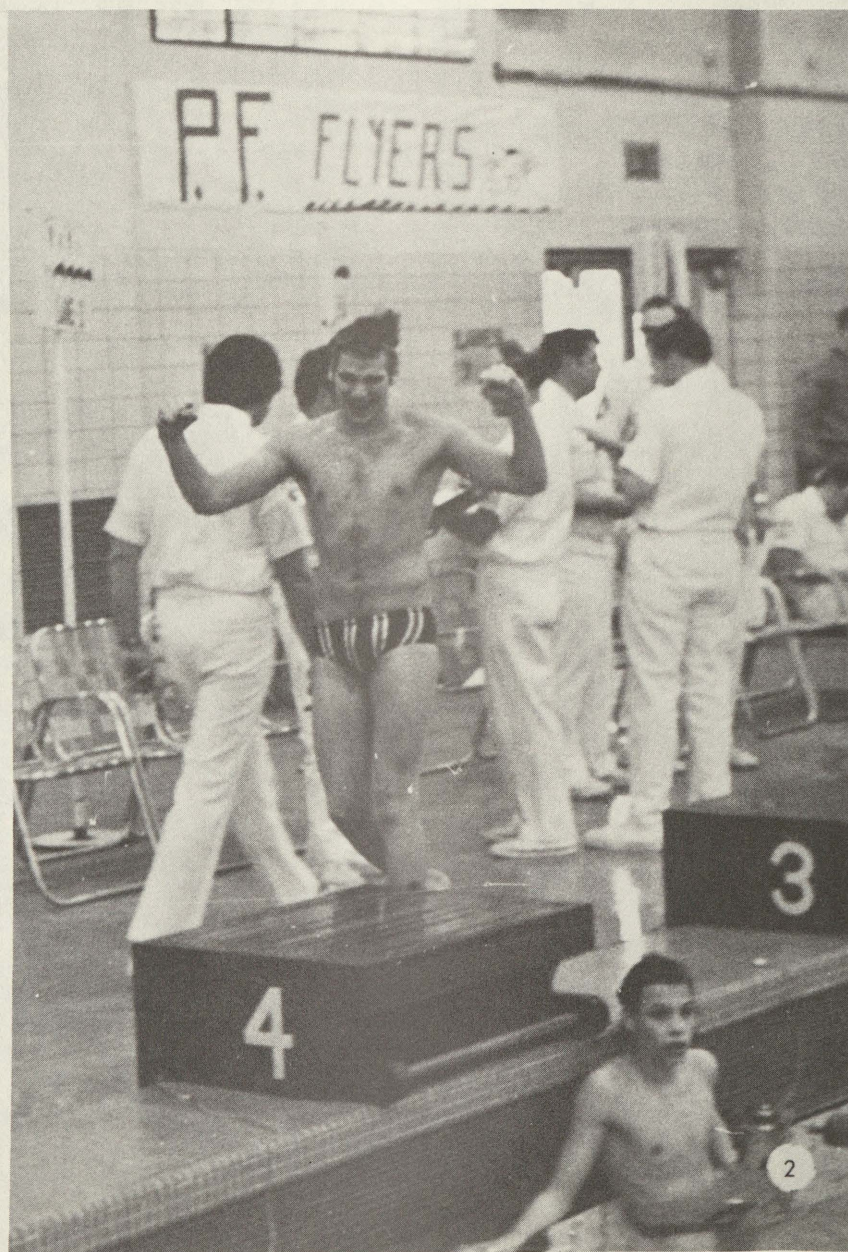

Seasons come, and seasons go, but it appears that there will always be an Arthur Hill swimming team to capture the Valley Championship. The Hillites qualified 34 swimmers for the finals.

and walked away with the 32nd title.

Hugo Braun, Rob Dietzel and Dan Maas swam well all year, and paced the team to an 11-2 season record. Captain Pat Furlo was the only swimmer to qualify for the state meet with a time of 59.0 in the 100 yard backstroke.

Valley records were also set by Dietzel in the 500 yard freestyle with a time of 5:05.6, and the 400 free relay team of Braun, Maas, Furlo and Dietzel with a time of 3:30.9.

"We received strong leadership from our seniors this year," commented Coach Kent Howenstein, "and we should have equally strong leadership and next."

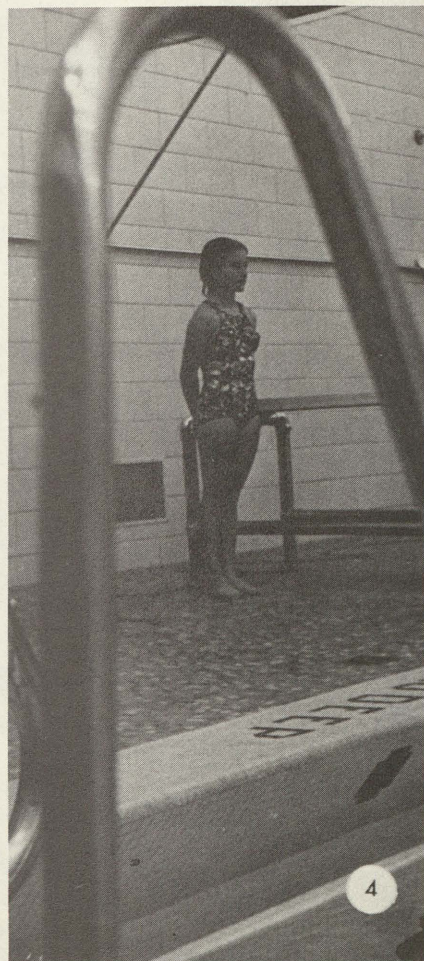

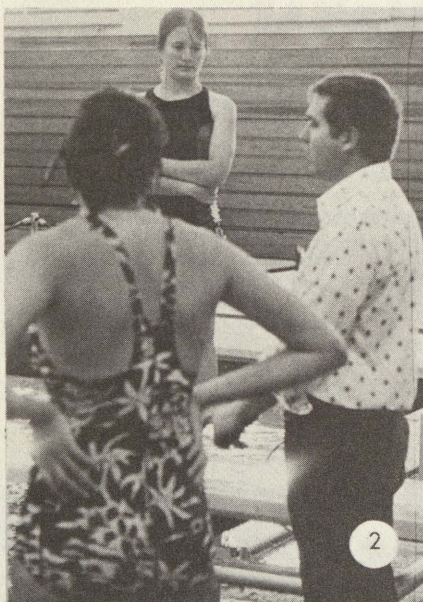

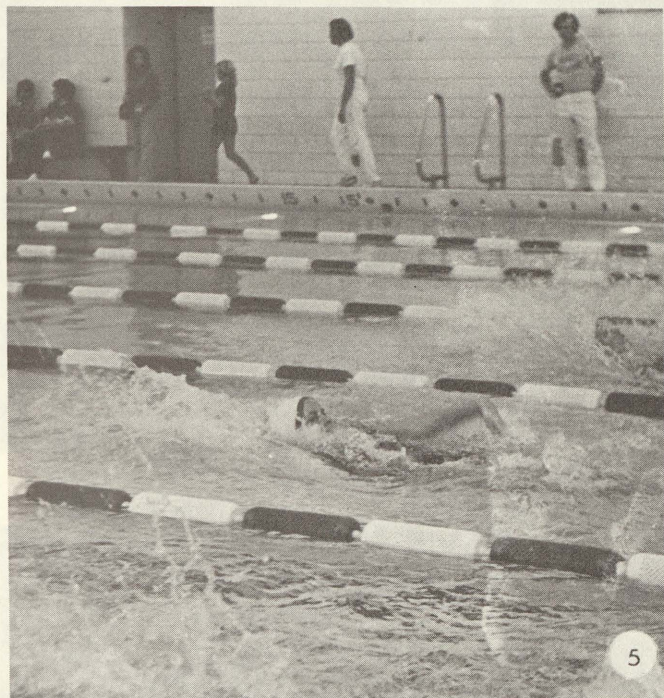

1. Pat Furlo, Arthur Hill's fastest back-stroker, pushes off to another victory.
2. After just touching out an opponent in the 500 freestyle, Rob Dietzel shouts for joy.
3. Chris Lechner attempts to keep pace in the butterfly event.
4. Furlo and Coach Kent Howenstein proudly present their Valley Championship trophy.
5. In disbelief, Hugo Braun watches timers put up his winning time in the 50 freestyle.

1. Senior Cindy Kipp is concentrating on keeping her legs straight in a pike dive.
2. Mr. Storck instructs the divers on the importance of proper entrance.
3. Free-style swimmer reaches out for a record breaking time.
4. Diver Joyce LaChapelle waits patiently for the call to begin her dive.
5. Karen Topham pulls hard on her backstroke for a better time.
6. Donna LaChapelle glances up at the camera while working on her free-style.
7. Backstroke swimmers await the shot from the official's gun.

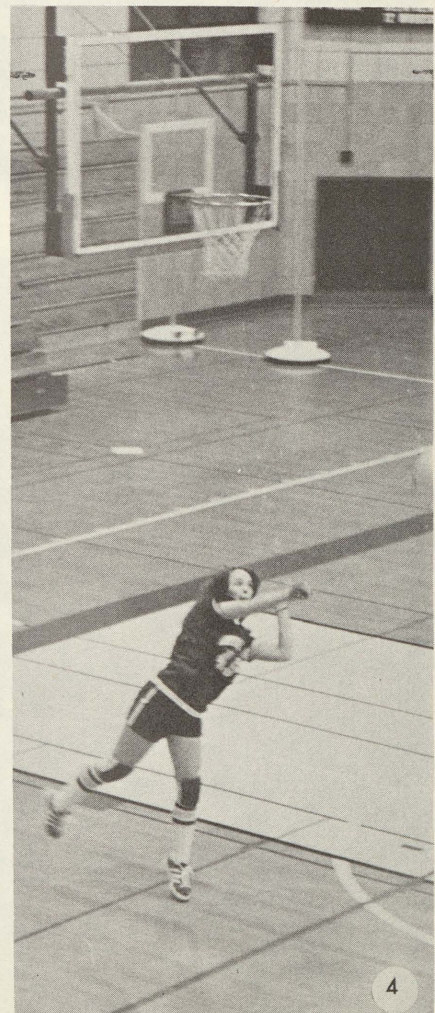

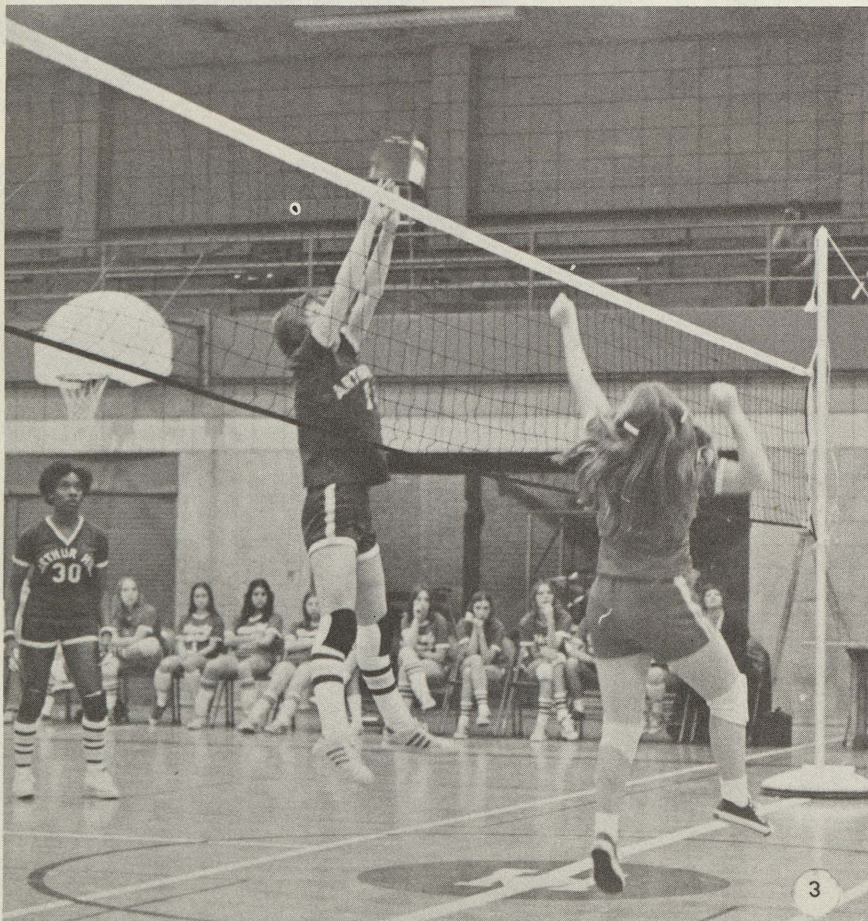

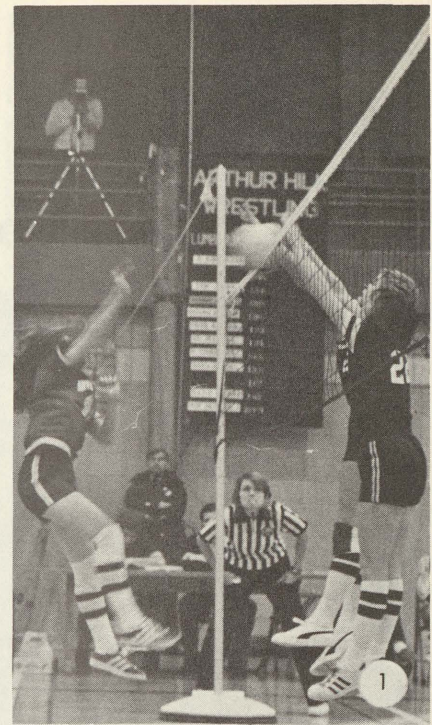

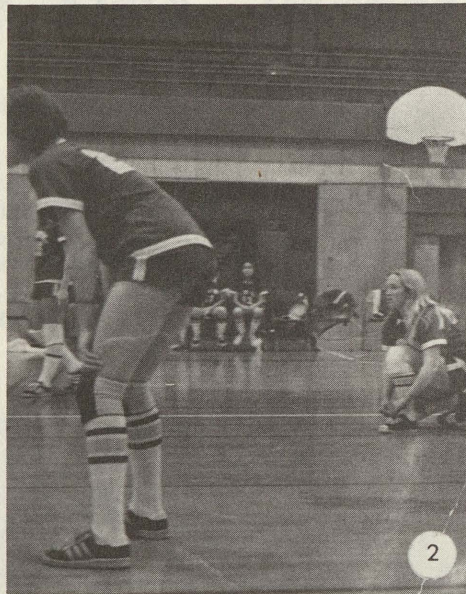

RECORDS BROKEN: GIRLS TAKE FIFTH

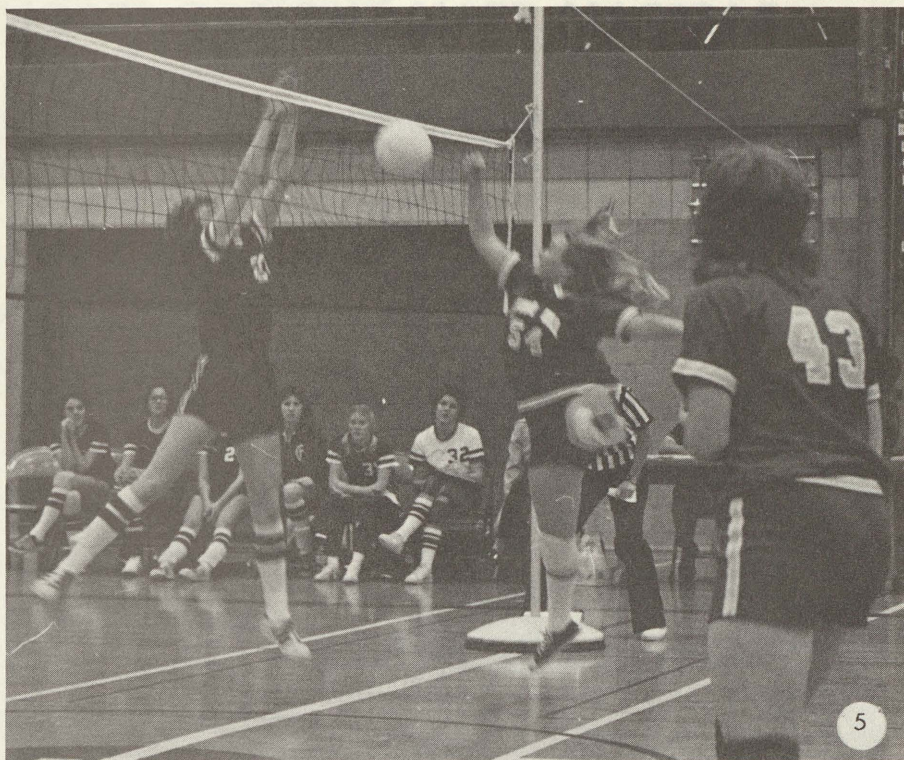

Tension builds each time a swimmer steps up to the starting block or the diving board. The gun fires and splash, the 1975 girls swim team is off to a swimming start. The girls took 5th place in the Valley Competition. Records were broken right and left by junior Lora Leppert. Lora and the team broke various girl's swim record in every meet. Mrs. M. Dietrich is the coach and divers are coached by Mr. D. Storck and Mr. T. Robertson.

1. Sue Downey spikes one over the net, only to be blocked.
2. Jill Trautner quickly ties her shoes between serves.
3. Anne Brown blocks a ball.
4. Sue Downey gives the team an excellent overhand serve.
5. Jill dinks the ball over the net.
6. Group discussion is needed in a team sport.
7. Terri Fisher pounds an overhand serve to the other team.

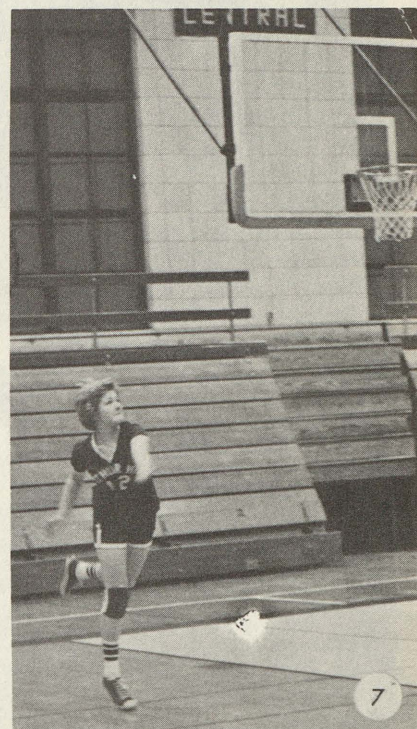

SPIKERS JOIN

NEW LEAGUE

Volleyball continues to grow in popularity and competition throughout the state. The addition of the new Saginaw Valley League and a state wide tournament has made it even more popular in this area.

Most of the girl's matches this season consisted of three games. The team is made up of 2 seniors, 4 juniors, and 3 sophomores on the varsity.

The team's basic drawback this year was height, but the girls do have a lot of desire and move well. The Arthur Hill team was led by 5'1" Norma Kleinbriel and 5'5" sophomore Jean Finch. Julie Downey and Shelly Kakoska led the sophomores and have been showing improvement.

BASEBALL TEAM TIES FOR SECOND

Arthur Hill's baseball team finished with a 10-11 record overall and a 7-7 record for the 1975 season.

Senior Tom Nichols carried a big bat to the plate, and averaged .343 for 67 times at bat. Bill Schulz and John Alfano averaged .338 and .321 respectively. Alfano was tops on the mound, chalking up a 3-1 record for the season.

Nichols was chosen to play in the all-star game at Bay City Memorial Field.

1. Kip Kipke takes a big lead off first.
2. A group of Hillites watch a teammate at the plate.
3. Kipke warms up between innings.
4. Ray Wildey (8), Paul Sternhagen and other team members wait for their chance to bat.
5. A Hillite slugger steps up to the plate.

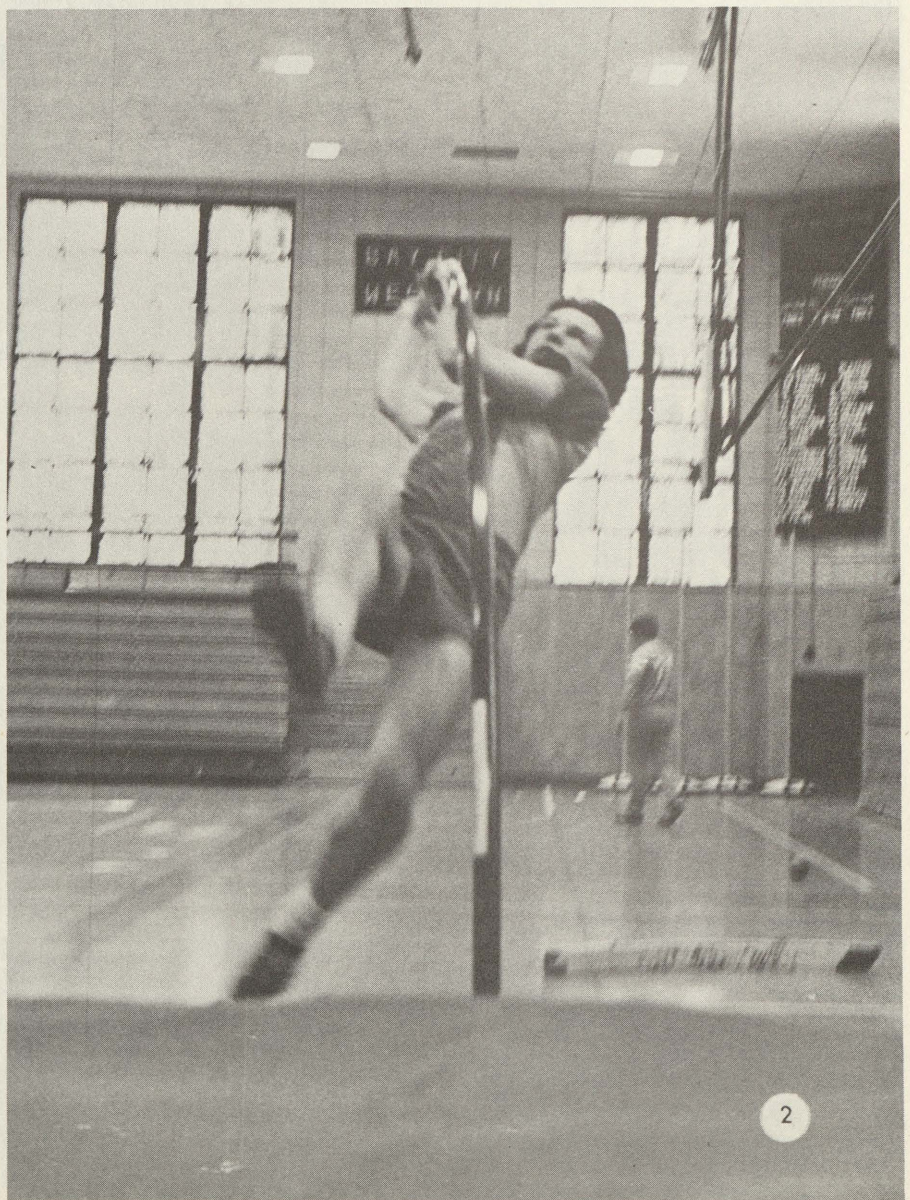

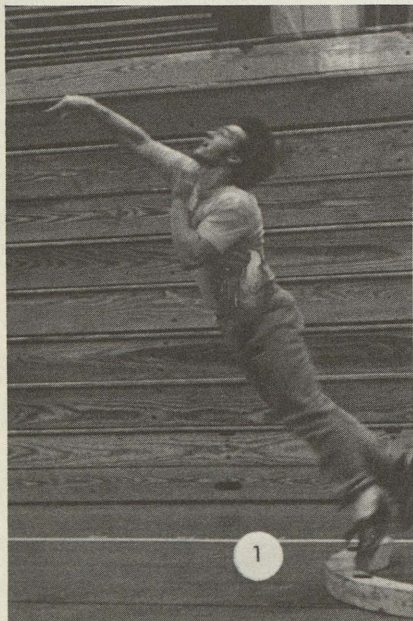

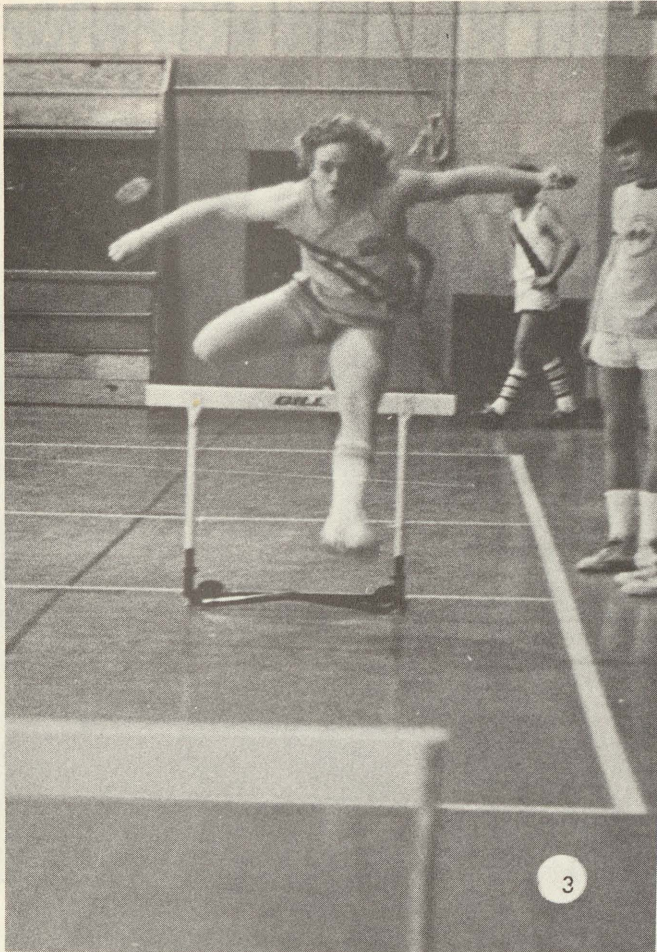

SEASON LOOKS BRIGHTER FOR TRACK TEAM

Jim Wallace and Mark Reinig are two good reasons for giving the 1976 Arthur Hill track team a second look. Although the '75 season was not a winning one, it was an improved one.

Mike Brechtelsbauer did well in the pole vault while the sophomores Dave Farley and Dennis Hammond put in good times in the 440 and 880 respectively. The 880 yard run was also Wallace's strong event and he posted a top time of 2:00.9. Reinig heaved the shotput 50'7".

"Our main goal this year," says Coach Bill Johnson "is to get many young men out and working hard toward individual as well as team improvement."

3

1. Mark Reinig really gets his weight into the shotput.
2. Trying for just a little more height, is pole vaulter Mike Brechtelsbauer.
3. Craig Stoltz shows his form in the hurdles.
4. Coach Daniel McShannock watches on as Hillite runners warm up.

GIRL HARRIERS RUN WILD

The "Legenda" went to press before this year's Girls Track Team began competitive meets. This year's team will participate in a total of twelve meets. In past years they have competed in only three.

1. Lorenza Ramos and Laura Schaper.
2. Mary Bradtke and Eunice McClenon.
3. Sue Fallis and Alicia Cormier.
4. Carolyn Glynn.

CROSS COUNTRY RUNNERS MAKE GOOD EFFORT

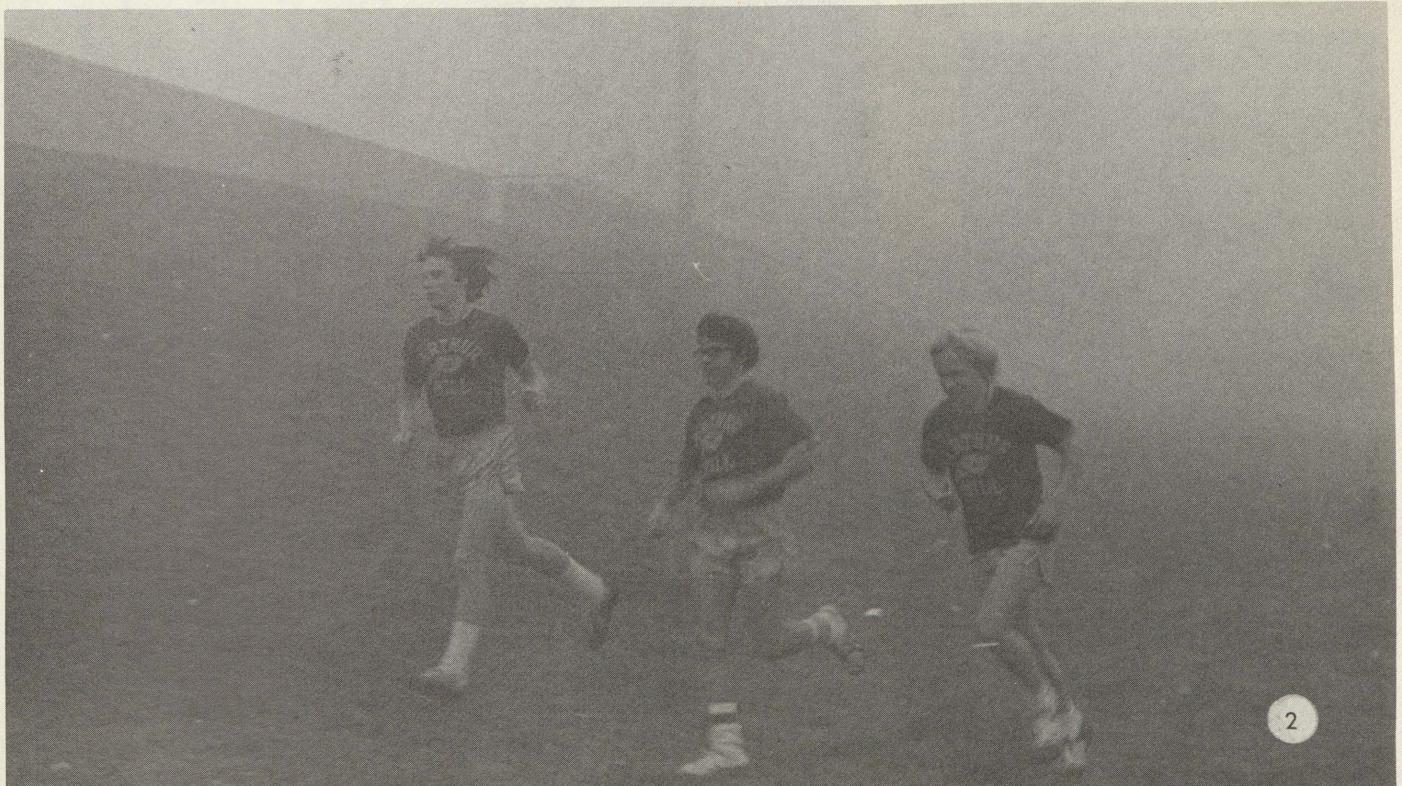

1. Undaunted by the inclement weather (L. to R.) Mark Downing, John Leikert, and Dennis Hammond run on through the mist.

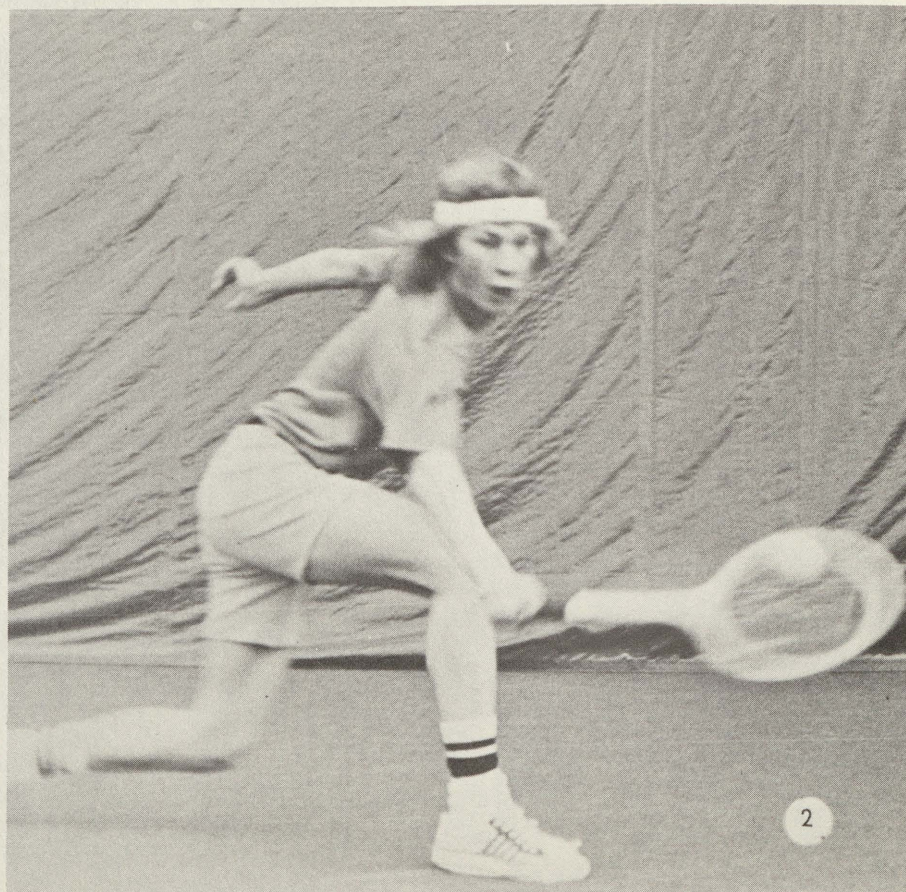

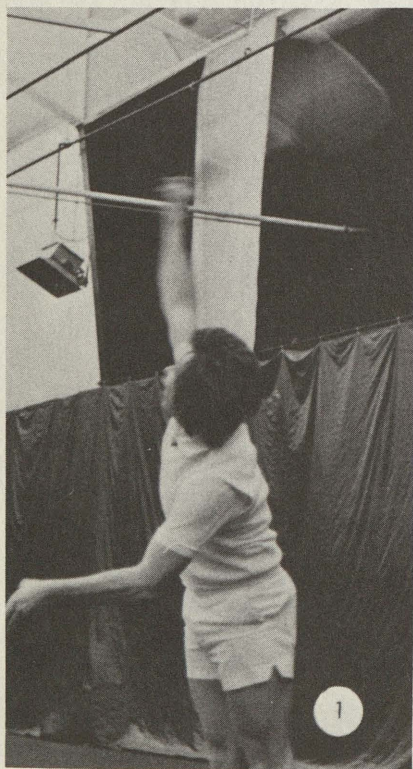

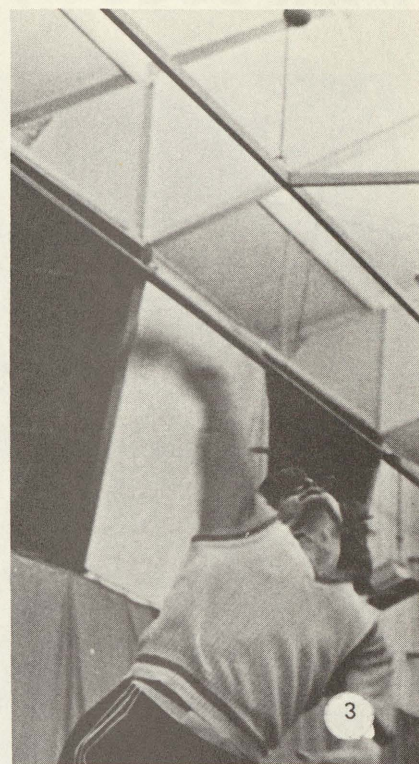

2. Al Derheim and Steve Sopcak "keep on trackin'."

Running Cross-Country is not the easiest sport in school. It requires many hours of training, more than most other sports. For that reason alone, Cross Country runners deserve more credit than they normally get.

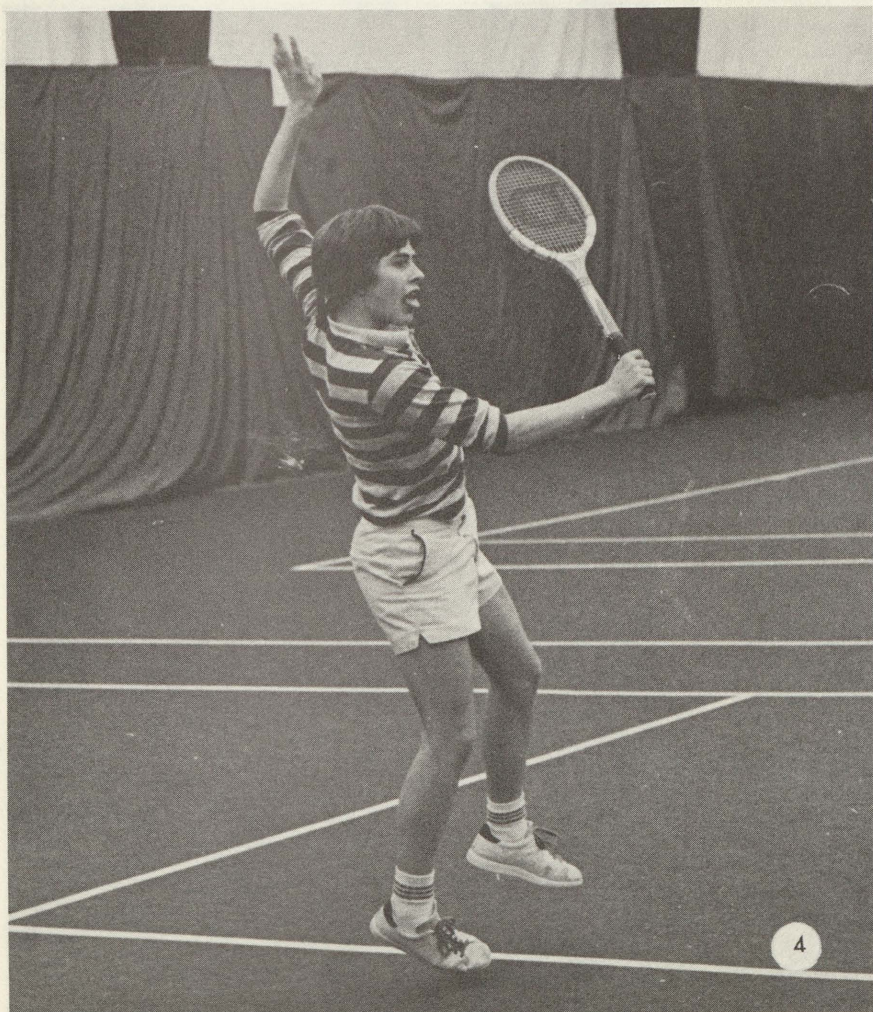

Arthur Hill's Cross Country team is no exception, and with the help of Coach E. Petzko they managed to record some outstanding individual statistics. Steve Sopcak, Al Derheim and John Leikert all placed high in meets and recorded top times of 16:37.5, 16:44, and 16:37 respectively. As a team, Arthur Hill's highest place was fifth in both the Saginaw County and Saginaw Valley meets.

1. Stu Francke gets his whole body into his serve.
2. Reaching as far as he can, Dan Arnold stretches for a backhand.
3. Jeff Becker concentrates on his service toss.
4. Tennis players use many different styles, but Jay Stringer's volley has to be one of the most unique.
5. Brian Taylor leaves the ground to smack a forehand.

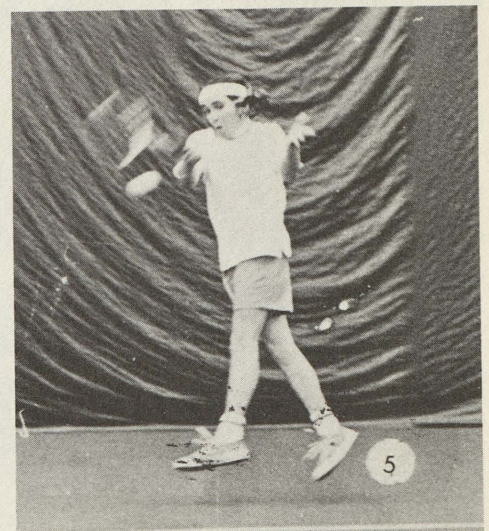

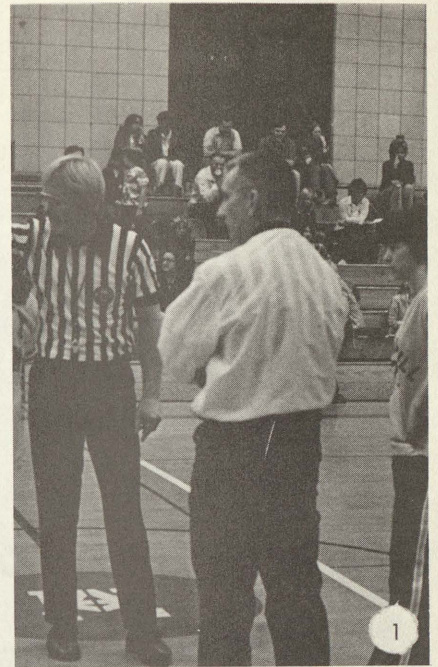

NETTERS LOOK TOWARD A PROMISING SEASON

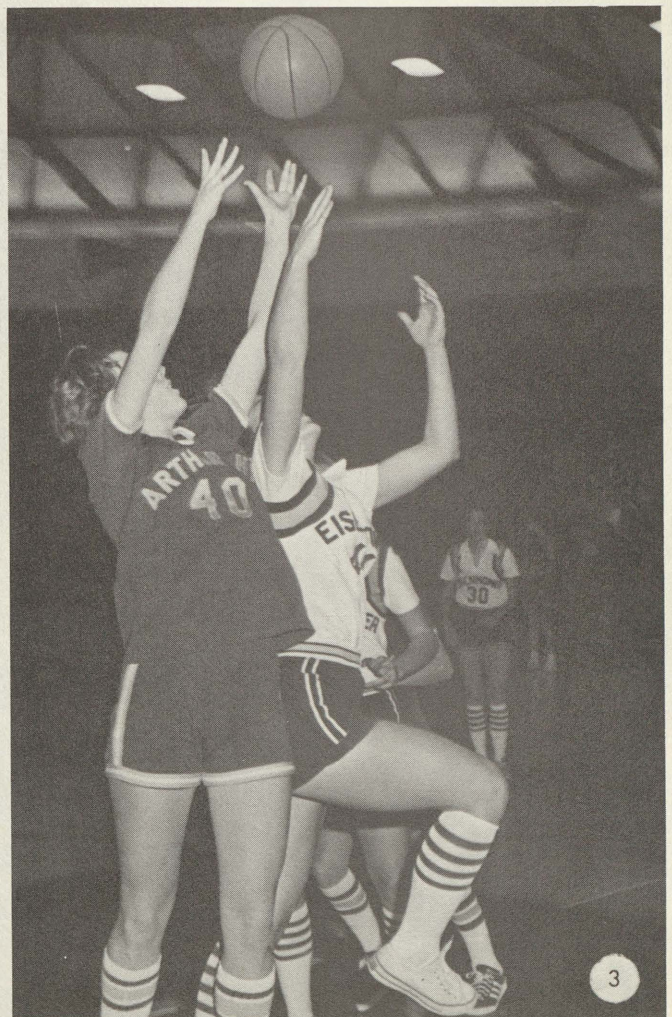

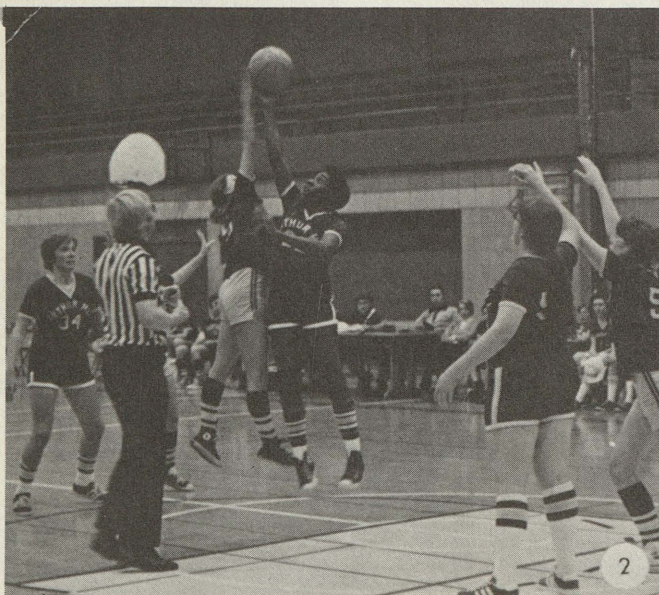

Finishing the 1974-1975 season with a 5-8 record, Arthur Hill's tennis team showed much potential, as the squad was composed of sophomores and juniors only. Even though they were unable to climb above the .500 mark, they did manage to put on some outstanding performances.

First seed Stu Francke and fourth seed Brian Taylor compiled the best records, 9-4 and 8-5 respectively. Second and third seeds Jay Stringer and Jeff Becker also turned in some good performances.

1. Referees discuss a play involving Debbie Clayton.
2. Rose Cannon gets the height needed to get control over the ball.
3. Lori Coon out jumps Eisenhower's girl.
4. Senior Debbie Clayton blocks the opponents player.
5. Lori Coon scrapes the ball off of the floor with a look of determination.

GIRL'S BASKETBALL TEAM

SHOWS IMPROVEMENT

The Varsity girls basketball team has been led by Junior Connie Hardt and Sophomore Suzanne Brown. The team finished with a 5-5 Saginaw Valley League record and a 6-10 overall record. "We lost a lot of close games; but I feel the experience we gained in this new league will be a great help to us in the future," said Miss Teter. The girls ended their season with a big win over B. C. Handy 65-51. In districts the Hills were edged out by Eisenhower 46-37.

The J. V.'s broke even with an 8-8 record. Led by Sophomore's Jean Finch and MaryBeth Frank the Lumberjacks had a 6-4 league record.

END OF SCHOOL

As I walk all down these darkened halls,
I feel so all alone.
The bell has rung, it's three o'clock,
It's time to get on home.

Now the years go by so quickly,
They used to feel so long.
But this one will be ending now,
I can't believe it's gone.
Those happy times, those memories,

Have vanished into space.
Though they're locked inside this lonely mind,
They can never be replaced.

Phil Thon
Sophomore

..The season's changing, from warm sunny
summer days.
..To cool crisp autumn days.
..The bright mellow colors of living things are
changing and will soon die, but only until the last
frost of winter leaves and sunshine again
enriches the earth.
..People are changing, too. The younger
persons are turning to adults. Learning,
experiencing, loving, hoping.
..Children begin to ask about life and marvel at
the world.
..Elderly people just enjoy what's left of life and
stop worrying so much about tomorrow.
..It's funny how the seasons and people are
really one in the same.

Jonathon Livingston Seagull Revisited

High along the cliffs
I wheel and
turn -
mocking the crashing
waves and
subtle tides -
I'm free -
free to fly -
free to be -
to hurl along
crying into the sunsong
morning -

I am!
I am?
who am I
kidding?
I am a dying gull
tearing up the sand
with shattered wings -
death comes easy to
broken gulls on
gray December
beaches.

Timothy B. N. Fullerton

Yesterday

I was a sculptor's tool,
precise.

They came in ice,
resisting
all
my
peck -
ing.

Today I was the sun.

They were water
Falling up
and
spilling over
shining rocks
that they left
glowing

LEGENDA LOOKS BACK ON HILLITES

The first Saginaw high school classes were held in the Union School with only 18 students in the class. This was the 1867-71 school year, and only three students finished the courses. The old Arthur Hill High School, on Court Street, was opened in 1889 with one-tenth of the students being foreign pupils. Arthur Hill, at the present location, was opened in January of 1941. Choir was one of the first extra curricular activities that was added to the schools ever growing list of functions. The first high school science laboratory was purchased by S. R. Dewey in the year 1869. The courses of study in the first high school was trigonometry, English literature, and astronomy. Mind science and science of government were stricken from the list of requirements and the course in algebra was modified. Latin and geometry were offered and modern language courses were limited.

In 1879 the tenth class of Arthur Hill had graduated. In 1883 the honorable Arthur Hill presented his magnificent gift to the high school: a present of perpetual scholarships to the University of Michigan.

One of the oldest advertisers in the LEGENDA is Case's Funeral Home, who advertised in the 1901 LEGENDA and had continued to do so until this date.

Saginaw is the only community in outstate Michigan which had both of its high schools accredited by the North Central Association of Schools and Colleges by 1904.

No schools in the state were accredited earlier than 1904.

Only Detroit also had two of its high schools accredited first in that year.

A.H. was the first accredited by the State of Michigan (for which the University of Michigan is the accrediting agency) in 1880.

Accreditation by both agencies NCA and the State has been continuous since the initial dates.

Girls' Glee Club started in 1911 and was an inspiring touch to Arthur Hill. The school's orchestra was started in 1920.

The Little Brown Jug was first awarded to Arthur Hill's football team in 1922. Also in 1922 the Ippel Cup was awarded for scholastic excellence.

1931 marked the year that the football team had a 4 win 3 loose record. They had come a long way since the team began in 1895. The 1930 News staff was given an actual newsroom and the National Honor Society began with 26 members.

CLOCKWISE:

1. Shot-put was played back in the 30's.
2. The first Arthur Hill High School was located on Court Street.
3. Cooking classes, in the 20's, cooked over open coil stoves.
4. The "gang" still crowded together for a friendly shot.
5. The parking lot was not as crowded as it is today in the 70's.
6. Check out the autos.
7. Students are changing classes at the "old school."
8. Knickers?

A copy of the 1938 Arthur Hill Home News had an article on the condition of the Annex building next to the old Arthur Hill building. It stated that the school annex was built during the Civil War and had gone through everything "from machine guns, surgery, the first pony express to dynamite." The school at this time held 1,465 students. Years earlier the enrollment was only 729 pupils. The school had no labs, cafeteria, auditorium, football field, baseball diamond or modern classrooms. At this time a decision was made to build a new high school for the city of Saginaw.

Taking one and a half years to complete, the present A.H.H.S. was opened in 1941, and the graduating class of '42 had 519 seniors.

The Second World War was rapidly accelerating and students helped the country by collecting various scraps and rationing gasoline and food.

The years passed and the school added new dimensions to teaching. Clubs and athletic activities expanded and students as well as the teachers began to get involved. Drivers training, pep bands, and debate teams are just a few of the numerous activities that students could choose from to occupy their time and expand their horizons.

1946 was the year in which the swimming team took their first regional championship. 1949 was another big year for the Hilllites. Memorial Stadium was built and the first football game was played that fall.

History again recorded a first for the Hilllites. The city's first school swimming pool was completed in 1957. Arthur Hill was thought to be one of the most modern and best equipped school, as well as being a beautiful sight in the city.

Mr. Harold Giesecke, our present principal, assumed his position in 1963.

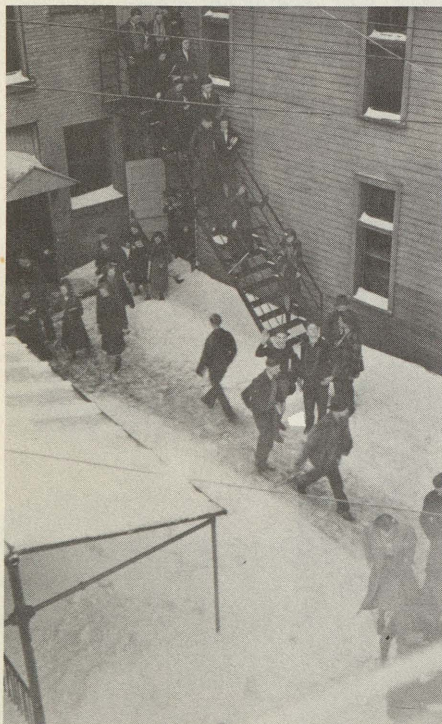

The 1973 football season also marked a first with the Lumberjacks going unscored upon and undefeated.

The football team had come a long way since it's 4-3 record in the 30's.

Now in 1976 Arthur Hill faces the issues of cross town busing and budget cutbacks. Like in the past, the school will always try it's best to provide the best education it can to students.

Arthur Hill hasn't really changed over the years it has existed. Surely the number of students has increased, the once sparkling new school is aging and new teaching methods and equipment have been placed at student and teacher disposal. It is still a place of great growth.

Voices of students, past and present, memories of victories on the fields, tears of joy and sorrow, feelings of acceptance and hopes and dreams for success in the future are some things that have never, and will never change.

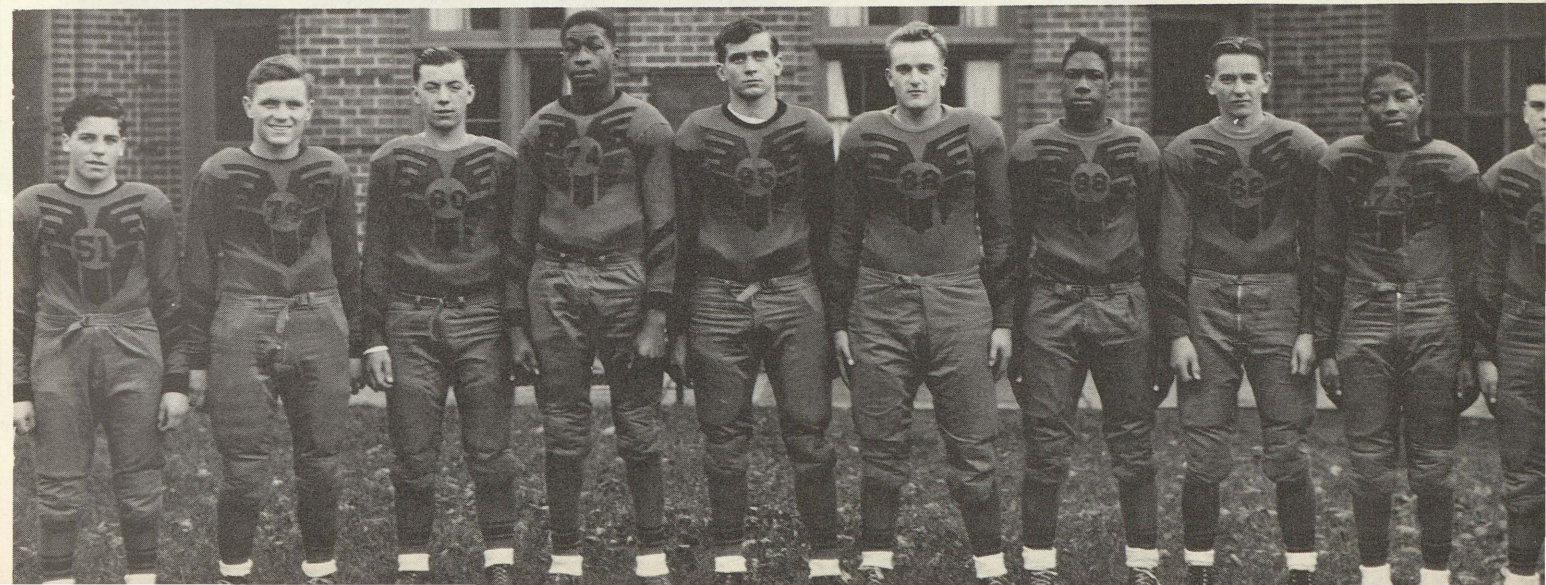

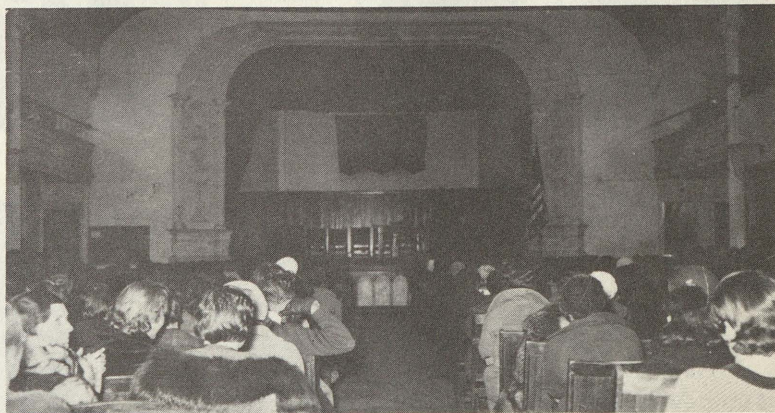

CLOCKWISE

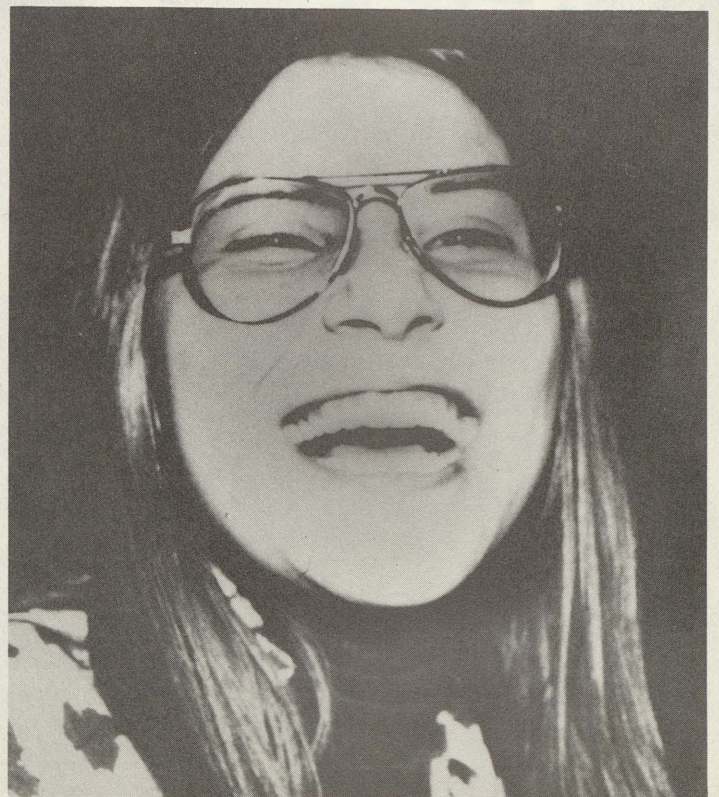

1. Lunch hour in the cafeteria was quite a social hour.
2. The track and football field in underway.
3. Assemblies were a time to sleep, talk, or pay attention.
4. Ye old football team, only 10 players.
5. Long skirts, crewcuts and seamed stockings were all the rage.
6. Changing classes was a cold task.
7. Unidentified flute player practices in the music room.
8. Again, the push is on to change classes.
9. Election time was, in the 50's, a big event.

The above information has been obtained from old Legenda and Arthur Hill newspapers.
